

# Mission Opportunity: Become a Mission Advocate for The Apple of His Eye Mission Society

The Apple of His Eye Mission Society is an RSO (Recognized Service Organization) of the LCMS.

## **Our mission statement: Boldly declaring Y'shua as Messiah and Urgently Equipping believers in Jesus to do the same!**

To that end, we have given of ourselves across the nation to congregations which would like to be in partnership with us. We endeavor to help them grow in their personal evangelism capacities and better understand the Jewish roots of their faith.

### **Since our founding in 1996 we have:**

- Given presentations in over 1,800 churches for worship services, Bible classes, workshops, seminars and personal evangelism.
- Participated in LWML rallies and conventions and manned displays at district and national events to inform people of our work among the Jewish people.

As we move forward in our 25th year, we would like to build a team of caring Christians who share our passion for reaching the lost and equipping believers.

## **This is a volunteer opportunity to serve as a Mission Advocate in deputation on behalf of our ministry.**

We provide training and presentation materials to share with congregations in the vicinity of where they live. We would invite those to apply who could give at least six Sundays a year to this endeavor. There may also be occasional opportunities during the week which may come up.

Presentations in churches would range from Bible classes, workshops, chapels for schools, and during worship services built around the Biblical calendar of festivals.

The foci of our Mission Advocates are: 1) to invite people to receive the free Apple of His Eye newsletter, 2) become volunteers in various areas, 3) give them the opportunity to support our ministry with mission gifts over and above their regular church support.
